Hi, folks—

Thanks for pulling this information together. Scott Ireland is asking for copies of the briefing papers. Can you please send him files with the papers and photos you prepared? The attachments should be able to be loaded into the SMART system easily.

Thanks,  
Joe

Hi-

In case you check in, would you like to give your opinion on the submittal of briefing papers for Arkema and BASF on the Trenton Channel? Can Eileen send them on or would you like to send to the RA or should we just load into the SMART system and you can let the RA and Jeff Kelley know they are in there?

Thanks,  
Joe

Thanks for your input Eileen.

I think Joe and I will take one more look and have Ed send them. Does that work Joe? I assume Ed would prefer to forward these or should they be uploaded into the SMART system?

Thanks  
Shilpa
